

Division of Early Learning Provider/ Program Spotlight

October 7, 2014- Ms. Sheila J. Harley

Ms. Sheila J. Harley has over twenty years of experience in early childhood education. In 2009, Ms. Harley decided to take her classroom experiences and open an in home early learning facility. Last year, Ms. Harley took advantage of funding provided by OSSE to pursue accreditation for her facility. Through hard work and dedication Ms. Harley has made tremendous improvements to her site, such as expanding her basement to allow for more instructional space, upgrading her backyard for children to play outside, renovating the bathroom and providing developmentally appropriate toys and books for the children. In September 2014, Ms. Harley became accredited through the National Association for Family Child Care (NAFCC). Keep up the amazing work Ms. Harley!
